Eurozone summit next weekend Press Statement

It has been confirmed that a Eurozone summit will be held on April 1.

Due to inadvertant wording of the Treaty on Stability, Coordination & Governance, which refers to countries "whose currency is the euro", it has been confirmed that this summit will also include the heads of state or government of Montenegro, Kosovo, San Marino, Monaco, Andorra and the Vatican City, all of which use the euro.

The presence of His Holiness the Pope affords an opportunity to pray for divine intervention to save the euro. This is now seen as the most credible strategy.

Indicative programme:
11.00 meeting with the President of the European Parliament
12.00 family photo
12.30 working session
+/- 19.00 press conference
